February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & **Mrs. Sushama Chordiya**

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013"

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Mohan Dharia

Message from Founder President & Chairman

Dear Parents

Quality education is prerequisite for the development of human beings and also development of the nation. The Suryadatta Education Foundation (SEF) is a Jain minority charitable trust established in Pune in the year 1999 with the blessings of Late Shri Bansilalji Chordiya, a visionary educationist leader. In the last 20 years we have established several institutes under the aegis of the Suryadatta Education Foundation which offers various courses from Kindergarten to Post Graduation in various disciplines under one umbrella with the aim to serve the society through imparting quality education. Suryadatta has been ranked as overall 'A' category, top 50 Group of Institutions in India for consecutive 20 years by the Leading National Surveys.

All the institutes of Suryadatta Education Foundation aim towards developing full potential of children in terms of transforming them into complete human beings and imparting in them Social Sensitivity, Global Outlook & Universal Human Values which will enable them to contribute positively to the World Community. Suryadatta believes in 'Holistic Development' of every child, development of the Mind, Body and Spirit.

The Suryadatta Education Foundation has ventured into Early years, Primary education with the aim to lay solid foundation of children upon which their Academic journey and future Career is built. All the innovative and 21st century pedagogical methods at Suryadatta are carefully and meticulously designed and continuously examined for further improvement. Teaching for us does not only mean dissemination of knowledge but also touching and transforming children from early age onwards, giving them direction and shaping their future where children are excited to learn and ask "What is next?"

I look forward to your support and cooperation in our future endeavours.

Message from Vice President

Dear Parents

Mother is the first guru. We all became shishya the day we take birth. Rest is a continuous journey of learning and growing.

The schooling at Suryadatta aims to inspire students with an inner sense of mission and also to foster the creative exploration of the greatness of knowledge and wisdom through the Guru-Shishya Parampara. At suryadatta we understand the responsibility that comes with this role for both the guru and shishya. Educationists at Suryadatta perform a complex and multidimensional role. They are responsible for implementing a program that is thoughtfully designed, is engaging, integrated, developmentally appropriate, challenging, culturally and linguistically responsive and promotes positive outcomes for every child.

While we believe it is important that both shishya and guru's passion and vision are in harmony however students will have the freedom to forge their own path. Being a shishya begins with having the right attitude – a state of mind for a life long journey. It is upon the shishya to open their hearts and minds to the fullest extent possible so as to be able to absorb the teachings of the guru. The word shishya is complete when attached with the guru. There is no guru without a shishya and vice versa. Our Educators transfer the wisdom through two way mentoring sessions.

The school allows its students to develop a commitment in life with a passion for learning. In selecting, we assess natural talent and the capacity to receive training to attain the desired heights. Once selected, the student is expected to train under his or her guru maintaining the traditional Guru Shishya Parampara.

About The School

At Suryadatta National School, we care deeply about every child's holistic growth, happiness and success. For 8 years, SNS has grown into as a place & developed an unmatched reputation for being an institution which parents have trusted, helped children develop academic excellence, exemplary character by imbibing values and a lifelong passion for learning.

The teaching learning and the passion towards learning is at its optimum in SNS. The school is known for inculcating inquisitive minds and innovative thoughts and the students here are always driven towards achieving their best possible goals and objectives in a joyous manner. Learning is always a fun and not a burden.

With the legacy of delivering excellence in education for eight years, the school has reached greater heights in academic and non academic pursuits allowing children to grow holistically.

Over the years the school has seen academic pursuits been achieved, recognition at National and International platforms, creative passions of students been realized along with living the dream of becoming the Number 1 school in Pune. We have set milestones for us and achieved them in all sincerity. Our legacy is laced with two major driving forces which the team of EIS proudly holds in their hearts- Value and Trust!

Our students are given every opportunity to grow both inside and outside the classroom so they are prepared to navigate life's challenges with confidence. The ethos of our school nurtures the innate talent of each child allowing them to identify their own calling.

We have well equipped science labs for Physics, Chemistry and Composite Sciences. The school also encourages creative pursuits and has studios for visual arts, creative arts and performing arts (music and dance). A well stocked library allows them to develop the reading skills STEM / Robotics and Math Lab focuses on the technological advancement of our students.

Std. XII

The teachers have been extremely supportive throughout, not only have they guided us academically but have also provided personalized attention, the mentorship provided by them has been invaluable. All the resources provided for performing practical's, conducting activities etc. are top notch, which surely has enhanced my learning experience. The school's commitment to academic excellence is evident through its rigorous practices of conducting exams and reports regularly. The varied range of extracurricular sport activities offered by the school has allowed me to discover and advance my interests beyond the classroom. The indoor badminton and table tennis courts have been my favorites.

**Bharat Prasanna

Std. XI

My college has been more than just a place to learn math and science. It has been a community that has challenged me academically, encouraged me to explore my interests, and helped me grow as a person.

This college also has a strong sense of community. Everyone is welcomed and respected, and there are many opportunities to connect with people from different backgrounds.

**Jay
Shankarpure**

Std. XI

Their pedagogical finesse and unwavering support have not only honed my academic prowess but also nurtured a holistic approach to education.

The school's proactive assistance in navigating summer programs and boarding school applications has been instrumental in shaping my educational trajectory; showcasing a commitment to student growth beyond traditional boundaries. Suryadatta National School, with its blend of erudition and mentorship; stands as a beacon of educational excellence, propelling students toward multifaceted success. I extend my heartfelt gratitude to the entire school community for their pivotal role in shaping my academic and extracurricular odyssey.

School that provides Exceptional learning opportunities for holistic & sustainable development

Suryadatta National School - Blend of ancient wisdom and modern science with round the year value added activities

Suryadatta National School, a CBSE affiliated school up-to Class XII aims to be the center of excellence in education using state-of-the-art technology, where the seeds of all-round development of the children are sown at an early age. They believe in the holistic development of students through excellent academic and physical environments, including enhancement of their social, emotional, and mental health which is conducive to learning, developing creativity, and exploration.

Chess Competition

Outdoor Sports

At Suryadatta National School, Pune, students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team spirit, and healthy competition to develop a positive attitude in them. In a short period, it has created a niche amongst other CBSE schools in Pune.

At Suryadatta, educators emphasize learning by making students learn through first-hand experience. While the belief that all students are capable learners is true, a secure and safe environment promotes responsibility, self-esteem, and great communication skills. The mission is to lay a sound educational foundation that promotes integrity, self-worth, and life-long learning.

The school value inquiry based learning and Intellectual growth of all students and staff recognize their different learning needs, encouraging them to be creative and engaged. Suryadatta National School is a palette for ethnic, intellectual, and scholastic multiplicity.

Suryadatta National School believe that present times require innovative teaching and learning that allows students to expand their minds and develop skills outside the text-book. The innovative learning is about creating an atmosphere where students are walked outside the box and are immersed in discovery, interpretation, ideation & experimentation.

Unique teaching pedagogy

- They take pride in their well qualified and experienced teachers who empower students to become lifelong learners and agents of change
- Their mission is also to offer world class, innovative, career oriented learning
- The teaching-learning process is student centric that helps students to develop their creativity and problem solving skills compelling them to use higher level of thinking.
- Project Based teaching combines multiple disciplines and promotes active and deeper learning.

Uniqueness of SNS

- Fine blend of Scholastic & Co-Scholastic
- Value based education
- Blended Learning
- Innovative Teaching pedagogies
- Imparting Life Skills
- Therapeutic Learning (Speech & Language therapy)
- Social and Emotional Learning
- Personality Development
- Critical & Creative thinking skills
- Art blended curriculum
- Unique Assessment Parameters

The school has a differentiated, constructionist inquiry based curriculum

The school curriculum is a formal and challenging demand of the senior secondary level. The foundation for effective communication, both oral and written is laid down at this level through varied activities like elocution, story and poetry writing, public speaking, declamation and debating. Key concepts and strategies are introduced and developed to help students build a strong foundation in Maths and science.

Holistic Learning & Development

The school thrives on the belief that a healthy mind resides in a healthy body, emphasising greatly on Physical & mental fitness. We offer sports like trekking, Horse riding, swimming etc. to inculcate a habit of fitness in students, participation in nutrition and wellness program, Yoga and meditation across grades. Learners receive content tailored to their individual learning styles that maximizes their learning efficiency, effectiveness and engagement.

Parent Forum

Suryadatta National School recognise parents as important stakeholders of the school and seek their involvement in the childrens learning. Orientation Programs, PTMs, regular Joint Community welfare and development programs keep the parents connected. SNS's culture of teaching and learning supports and fosters intellectual and personality development among its students.

At SNS, they believe that good education transforms lives and good leaders transform a nation. Towards achieving this aim, the school endeavour is to prepare leaders in every child!
