PLAY GROUP TO STD. XII

SURYADATTA NATIONAL SCHOOL

At Suryadatta National School (CBSE), we offer a dynamic curriculum from Play Group to Grade XII, focusing on the holistic development of every child.

Our goal is to nurture confident, capable, and compassionate learners ready to face the challenges of a competitive world. Through a perfect balance of advanced academics and engaging extracurricular activities, we help students grow intellectually, socially, and emotionally.

Guided by innovative teaching methods, our students become constructive, collaborative, reflective, and inquiry-based learners, developing skills that last a lifetime.

At Suryadatta, we don't just educate children — we prepare them to lead with knowledge, integrity, and confidence.

VISION

Suryadatta National School is the centre of excellence in education using the state of the art technology, where the seeds of the all-round development of the children are sown at an early age. We believe in the holistic development of students through an excellent academic and physical environment, that enhances their social, emotional and mental health which is conducive to learning, developing creativity and exploration. Students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team-spirit and healthy competition that develops a positive attitude in them.

MISSION

- To achieve the holistic development of students through an excellent academic and physical environment that is conducive to learning, developing creativity, and exploration.
- To create healthy, strong, disciplined, bold, and competent citizens who will work for the betterment of the Nation.
- To shape a complete human being steeped in rich values through a holistic approach to teaching methodologies designed by Educational Experts.
- To reach out to masses and to provide this platform for every child.
- To be able to educate every child.
