

CIRCULAR

Subject: Mandatory Attendance Requirement as per CBSE Directives

Dear Students and Parents,

Greetings from Suryadatta National School!

As you are aware, the academic session of 2026-27 has commenced.

This is to inform you that, as per the directives of the CBSE, **regular attendance of students is mandatory**. The class timetable has already been shared with the students, and the importance of maintaining regular attendance was explained during the Orientation Programme as well as through subsequent communications.

Regular attendance is essential for the holistic development and academic success of every student. Attending classes consistently enables students to:

- Learn directly from experienced teachers.
- Receive continuous guidance and mentoring.
- Engage in meaningful peer learning and collaborative discussions.
- Experience a stimulating academic environment that fosters curiosity and disciplined learning.
- Participate actively in co-curricular and extracurricular activities, thereby developing leadership qualities, teamwork, creativity, confidence, and overall personality.
- Enhance communication, presentation, critical thinking, and problem-solving skills.

Being part of Suryadatta, a multidisciplinary educational institution, students also gain exposure to diverse career pathways through expert sessions, skill-development programmes, competitions, and interdisciplinary learning opportunities. Such experiences help students make informed career choices and prepare them for higher education and future professional success.

Parents are requested to ensure that their ward attends school regularly and punctually on all working days of the school. Leave should be sought only for genuine medical reasons or **unforeseen emergencies**. Unnecessary absenteeism adversely affects academic progress and overall development.

We look forward to ensuring regular attendance of all the students, thereby fostering academic excellence and the overall development of every student.

With Best Wishes,

Principal
Suryadatta National School
